## Team Nominations, Registration and Fee Information

### Team Nominations

Team Nominations are the first step in joining our social competitions. Each team needs to appoint a 'team contact' who will be the point of contact between the Association and the team. The 'team contact' will be required to complete a Team Nomination form which will be sent to the 'team contact' in a separate attachment.

Teams must have a minimum of seven (7) players listed to be eligible to nominate, and a maximum of ten (10). Once teams have nominated, the 'team contact' will be emailed a link for all individual players to register themselves.

### Registration and Fee Information

Each player is required to pay their individual registration via Netball Connect before they are eligible to play. Netball Connect will allow a choice of whether all fees are paid upfront, or via an instalment process.

## Rules

To be eligible to nominate a team, the team must list a minimum of seven (7) and maximum of ten (10) players and provide a contact person (mobile and email required). All players are required to be registered with Caboolture Netball before being allowed to take the court. Players need to register for each competition that they participate in (e.g. Monday Night, Saturday Club Competition).

### *Players Filling in for Teams*

Players can fill in across competitions. Players cannot fill in for a team that is in a lower or equal division to the team they are registered with. Any players substituting for another must adhere to the following rules:

- A fill in player must have a current Netball Queensland registration.
- Original team players must be on the court before a fill in player can join the game. Exceptions only where an original player is sick or injured and cannot take the court.
- Where a player is filling in within the same competition they are registered in, they cannot play in a lower or equal division.
- No player can fill in across competitions for more than three (3) games for any team. For clarification, a fill in player cannot exceed twelve (12) quarters with one team. Should they exceed the twelve (12) quarters they will be required to register as a member of that team.
- Any fill in players must be written on the scoresheet with their current registration/division listed.
- Teams need to ensure that fill in players adhere to the age restriction rules. For clarification, please see below ruling regarding 15-year-olds.

### *Age Restrictions*

The Monday Night Competition is for players 15 years and older. The following age restrictions apply:

- Players must be fifteen (15) years old as of Round 1 to be eligible to participate.
- Any fifteen (15) year old player must also be actively playing in our Winter Junior Saturday competition to be eligible to participate in the Monday competitions
- Teams may only register four (4) players that are fifteen (15) years old per team, with a maximum of ten (10) players per team.
- Players under fifteen (15) years old are not permitted to play in the Monday Competitions.

### *Finals Eligibility and Forfeits*

To be eligible to play in a finals game, a player must have played at least twelve (12) full competitive quarters within that team in that season.

Teams cannot take the court with less than 5 of their original players. A forfeit is called if the team does not have five (5) original players after five (5) minutes past the original game time. For example, if a team has only four (4) players at the start of their 6:30pm game, the umpires will hold the game. If by 6:35pm the team still only has four (4) players present then the team automatically forfeits.

### *Rolling Subs*

Rolling substitutions are permitted in accordance with the CNA Netball Rules, Policies & Procedures document.

## **Mixed Competition**

In 2026, CNA will introduce a social mixed competition to be held on Monday nights. The same social competition fees will apply as above. Members wishing to participate in both the ladies' and mixed competitions will be required to complete an additional competition registration; however, only one Netball Queensland player membership will be required.

### ***Mixed Competition Rules***

- A maximum of three (3) male players may be on court at any one time.
- Each team must have one (1) male player in each of the following positional groups:

1. GS or GA
2. WA, C, or WD
3. GK or GD

Should only two (2) males be on the court – all possibilities will apply – 1 & 2, 1 & 3, and 2 & 3.

CNA may, at its discretion, permit female-only teams to participate in the mixed competition where it is considered to be in the best interests of the competition

## **Uniforms**

The uniform acceptable for this competition is:

Suitable sports shirt, singlet, skirts, shorts, full length or  $\frac{3}{4}$  length leggings, dress of length that does not reveal underwear before movement.

Players must always wear their team approved uniform. Players playing out of uniform may be granted a three (3) week exemption upon request to Night Coordinator. Extensions can be granted upon request if required.

New teams or any changes to existing team uniforms need to be submitted for approval to the Competitions Director ([competitions@cabnetball.org.au](mailto:competitions@cabnetball.org.au)) prior to purchasing.

## **Jewellery and Gloves**

No jewellery is permitted to be worn. The only exemptions are taped wedding bands and/or alert bracelets. Any player that has non-removeable jewellery, including wedding bands and piercings, need to fill out a Jewellery/Glove Indemnity form in order to be able to take the court. This form will remain current for the season (as dated on the form).

Netball approved gloves may be worn. These gloves need to be approved by the umpire of the game prior to taking the court each time they are worn. Nails should not be able to be seen or felt through the fingertips. Should a player wish to wear netball-approved gloves to play they must sign a Jewellery/Gloves Indemnity form in order to be able to take the court.

Indemnity Forms are available from the Night Coordinator.

## **Umpires**

Caboolture Netball Association is responsible for supplying umpires for this competition. Umpires must be suitably attired in a white shirt and black skirt/shorts/skorts. Exemption for those umpires that play prior to or after umpiring, they may wear a white shirt over their playing uniform.

There is zero tolerance for abuse against umpires and games will be monitored closely. Poor behaviour demonstrated by players, scorers, and spectators may include eye-rolling, arguing, speaking rudely under your breath, slamming the ball down, or refusing to adjust where advised, as

examples. Should a team wish to ask for clarification around a call, during an end of quarter break, the team captain may approach the umpire and ask them a direct question only.

All enquiries regarding umpire matters are to be directed to the Development Director at [development@cabnetball.org.au](mailto:development@cabnetball.org.au)

### **Insurance**

All players are insured through their Netball Queensland registrations (the \$44 payment made upon registration). The Netball Queensland Personal Injury claim form can be accessed via the following link: [click here to make a claim.](#)

### **Points System**

Win = 2 points; Draw = 1 point; Loss = 0 points.

Teams will be awarded 2 points for a Bye.

Finals will be played between the top four (4) teams based on points as per the ladder. In the event of a tie-on points, the team with the highest goal ratio will be awarded the higher position.

Finals will be a 1<sup>st</sup> v 4<sup>th</sup> and 2<sup>nd</sup> vs 3<sup>rd</sup> as per the ladder. Winner of both games go through to the Grand Final.

In the event of a drawn game for finals or grand finals there will be a two (2) minute break during which there may be substitutions and/or team changes. At the end of those two (2) minutes, there are a further two (2) five (5) minute halves played. At the end of the first half, teams will change ends with no substitutions or team changes allowed. If at the end of the second half the scores are still level, then play continues until one (1) team has a two (2) goal lead.
